## A note from the Past President

I was honored to serve you as President of the County Assessor Association (CAAOK) for 2021-2022. Having benefited from the guidance of others when I was first elected, I saw this as an opportunity to give back to the association. Among our many accomplishments last year, my fellow officers and I were able to create a new association website (www.caaok.com), provide educational opportunities at conferences and district meetings, improve our by-laws, and continue to educate our legislators (and the public) about the assessor's office. I will forever value the friendships I developed with so many of you during this time and leave you in the capable hands of an outstanding set of officers! Onward and upward!!

With love and respect,

Matt Wehmuller
